

The Teachers Training Institute (TTI), Pt. Deendayal Upadhyay Memorial Health Sciences and Ayush University of Chhattisgarh, Nava Raipur, Atal Nagar is organizing a three-day workshop on “Good Clinical Practices (GCP) Protocol for Ayurveda” from 23rd to 25th June 2026. The workshop is designed to enhance the knowledge and skills of faculty members, researchers, postgraduate scholars, clinicians, and healthcare professionals involved in Ayurveda research and clinical practice. It aims to provide comprehensive training on the principles of Good Clinical Practices, ethical considerations, protocol development, regulatory requirements, documentation standards, data management, and quality assurance in clinical research.

The program will feature expert lectures, interactive discussions, case studies, and practical sessions conducted by eminent academicians, researchers, and regulatory experts. Participants will gain valuable insights into conducting scientifically sound, ethically compliant, and globally acceptable clinical studies in Ayurveda. The workshop will serve as an excellent platform for strengthening research competencies, promoting evidence-based Ayurveda, and fostering a culture of high-quality clinical research aligned with national and international standards.
